

# COST PER TRIP

Our mission is to keep world changers in the game, and because of that, we are committed to ensuring leaders from every background and vocation – churches, nonprofits, ministries, and the marketplace – can experience Refuge regardless of financial capacity.

To make this possible, we operate on a suggested donation model. We ask each participant to consider a suggested donation of **\$1,495** toward their trip as a contribution to the larger mission of Refuge.

Much like a church or ministry, these donations help sustain our organization, care for our staff, and continue creating meaningful experiences for those we serve.

We never want to compromise the quality, restfulness, or beauty of the Refuge experience. In order to continue providing these experiences with excellence, suggested donations are essential.

## A Deeper Look

The actual cost of operating a Refuge trip is approximately \$3,024 per person. With a suggested donation of \$1,495, there remains a gap of \$1,529 per guest that Refuge must raise through additional fundraising efforts. We are grateful to do this because we never want finances to be the reason a leader cannot attend a Refuge experience.

That said, if you are in a position to give beyond the suggested donation amount – or even help cover another guest's donation – it would make a significant impact and help us continue offering Refuge to leaders who deeply need it.
